GGID = BRAINERD2020***

75th Brainerd Invitational

**Brainerd Golf Course
August 15 - 16**

COVID-19 Rules Addendum

Scorecards:

All scoring will be done electronically. All players should come to scoring area at end of round to verbally verify scores.

One player from each group will be asked to record hole-by-hole scores for the group. The scorer will be given a GGID unique to his group on the first tee.

It is recommended another player in the group keep the group scores on the scorecard on the cart (for backup purposes.)

There are no rakes in the bunkers. Therefore a player may lift, clean, and place ball within one grip length of original lie. No closer to the hole. Player may also smooth sand with club or foot prior to placement of ball. Players are asked to smooth sand as much as possible with foot after playing of shot.

Per CDC guidelines the tournament committee recommends players not touch the flagsticks during play.

“As directed by the Hamilton County Health Department, any person entering the clubhouse shall wear a facial covering.”

Gift Certificates:

31 of the 78 players will win gift certificates. Please keep in mind, due to shutdowns, etc, merchandise in pro-shop is very limited at this time. As a result the gift certificates will have no expiration date.

Therefore the committee recommends players leave at end of play on Sunday and follow results online. For players that win gift certificates (top 10 in each division) gift certificates will be left in the pro shop to be used at later time.
